

Remembering Our Friend, Ron

Twenty-five years ago Ron Robinson was inspired by a message he heard on re-thinking church. So he took time off from his work and traveled with his wife Ann and daughter Kim to the U.S. and England to consider and be equipped for a new stage of ministry.

That's how the Lord brought them to Marilyn and me. We spent several weeks together dreaming the dream. The rest is history.

Ron's life is forever embedded in the very foundation of who we are in COTN. He leaves a wonderful legacy not only in COTN, but in his family and in New Creation Family Church.

What a joy it will be for many of us to gather at New Creation on October 8 to remember, honor, and celebrate his life.

We have lost a dear friend. It was a privilege to be with him in his last days and to share that time with his family.

Someone wrote these words which are so applicable.

We Remember a Life:

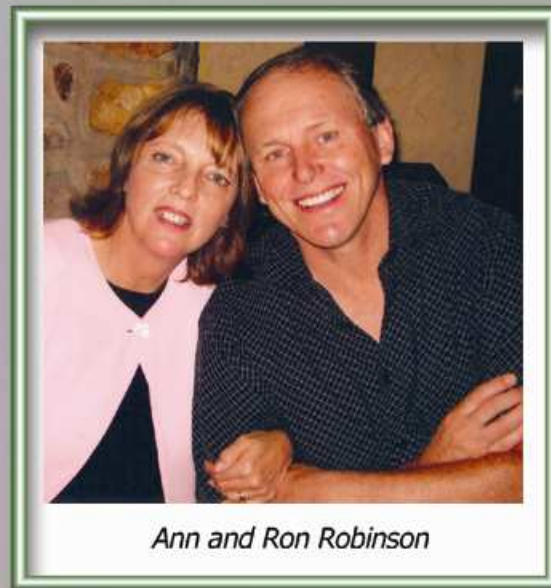

And all that made him the man he was; His work, his gifts, all that he enjoyed and found rewarding; calling to mind his beginnings, his journey, and the wonderful stories we love to share about him.

We Honor a Life:

His character, his integrity, his commitment to the things he stood for; recognizing his good heart, his sense of humor, and the helping hand he so often extended to others.

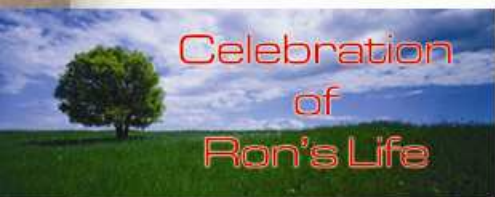

We Celebrate a Life:

And all that earned him the love, the admiration, the respect of family and friends, feeling grateful for our time with him, enriched for having known him, feeling blessed to have his remarkable heart and influence here among us forever.

Last Sermon*

"One of the things
Ann and I discovered
when we first got to
know one another is
the incredible privilege
of sowing seed from
our life into God...
When you learn the
lesson of walking in
the blessings, being
planted, being faithful,
then you will begin to
experience the
miracles of God..."

Nope, this ain't Hollywood. It's Mobilewood...as in Mobile, Alabama. And is that...wait... Tom Cruise?!?

Close! It's Tony Cruise...er, Fitzgerald. But this actor ain't jumping up and down on couches. But he IS excited over the new shooting of Church of the Nations' foundational series, The Glorious Church, that happened at the end of August.

And the filming went "gloriously." Who, but Tony Fitzgerald could teach 10 sessions straight in ONE DAY! The next day he pumped out the last four and there you have it.

There we have it! The powerful new DVD series that we're believing God will use to help you advance the kingdom on the earth.

Here are some shots from Alabama.
